

### ***Our Money, Our Ministries: The BuxMont UU Fellowship Budget 2019–2020***

BuxMont thrives from the financial support of members and friends. Our pledges make possible ministries of spiritual growth and community connections within our Fellowship and the larger community. During this 2020 Stewardship Campaign we ask for your generous pledge to support our Fellowship and ***Amplify Our Ministries!***

BuxMont’s annual budget provides the dedicated staff, building and facilities, and programs that are vital to making our many ministries possible. Based on last year’s budget, the Fiscal Year 2020 budget will be approximately \$295,000. The Budget Circle illustrates how your pledge dollars will be used to support the Fellowship’s ministries:

#### **Ministries:**

- ❖ **Spiritual Growth** (\$110,000): staff salaries, Sunday services, religious education for all ages, small group ministries and more.
- ❖ **Inspiring Spaces** (\$76,000): mortgage, building and grounds, facilities expenses, housekeeping, Decorating Committee, and more.
- ❖ **Fellowship** (\$31,000): newsletter, publicity, child care, staff salaries, social hour, Merriment Committee, and more.
