Fiscal Year 2020 Stewardship Campaign
Amplify Our Ministries: A Chorus of Voices

Reverend Kevin Jagoe, Minister
Beverly Vitek, Administrator

Howard Barkan, President
Jessica Bors, DRE

The generosity of BuxMont members and friends enables our Fellowship to thrive.

In the coming year, we aim to amplify BuxMont as a spiritual home that embraces our Fellowship and the larger community! In our first year with Rev. Kevin Jagoe, we are already exploring ways to deepen our shared ministries—through fellowship and music, religious education for all ages, and our commitment to social justice. Together, we make all of this possible, and more.

Please consider how you can help support our Fellowship for the coming year. **The goal for Fiscal Year 2020 (which begins July 1, 2019) is to raise \$265,000 from pledges, which is possible with 100% participation by members and friends.**

Every pledge is important!

Vital and thriving congregations practice shared ministry. Each UU congregation is solely responsible for funding its total operations. We recognize this responsibility when we join the Fellowship by pledging financial support each year. It's a powerful form of ministry!

How do I pledge?

The BuxMont Pledging Overview and UUA Suggested Fair-Share Contribution Guide are available to help determine your pledge amount.

Use the pledge form on the reverse of this page, email stewardship@buxmontuu.org, or submit your pledge online at buxmontuu.org/pledge. Completed forms can be mailed to BuxMont (attn: Pledge), placed in the offertory basket, or given to any member of the Stewardship Team.

Pledges can be paid by:

- Direct debit from your bank (this is the easiest, preferred method)
- Online credit card payment at buxmontuu.org/pledge
- Check (write “pledge” in memo line) in the offertory basket or mailed to BuxMont
- Cash in the offertory basket (in an envelope with your name to be applied to your pledge)

Thank you for your commitment to BuxMont Unitarian Universalist Fellowship.
