

Stewardship Campaign 2020: Determining Your BuxMont Pledge

BuxMont UU Fellowship thrives from the financial support of members and friends. On July 1, 2019, BuxMont's 2020 fiscal year and a new budget begins. Our pledges to fund this budget make possible ministries of spiritual growth and connections within our Fellowship and the larger community. During this 2020 Stewardship Campaign we ask for your generous pledge to support our Fellowship and *Amplify Our Ministries!*

Considerations in determining your pledge:

- In determining your pledge amount, consider your monthly expenses and the role of the Fellowship in your life. Isn't BuxMont worth at least the cost of a couple of restaurant dinners each month?
- The Unitarian Universalist Association provides the "Fair Share Contribution Guide" (provided on the other side of this page) that gives a range of gift levels. It recognizes that people have varying capacities to give and are at different places on their spiritual path, which impact their annual pledge.
 - *Which level of giving fits your situation?*
- BuxMont's giving patterns for this year (FY2019) show the variation of giving across our Fellowship.
 - *Are you ready to increase your pledge up to the next level to build a strong future for BuxMont?*
